Apply today on

<https://forms.gle/8ZTgueytcNMGbHxv8>

The Public sector professional accountant (Zimbabwe) PSPA(Z) is an ICAZ accountancy qualification offered through Ellchart Business School

The Public Sector Professional Accountant (Zimbabwe) (PSPA(Z)) is an accountancy qualification offered by the Institute of Chartered Accountants of Zimbabwe. The PSPA(Z) Conventional Learning Program (CLP) is a three-year program designed for those in the public sector and those wishing to pursue an accounting and finance career in the public sector. This program is offered through a collaboration of the Institute of Chartered Accountants of Zimbabwe (ICAZ), Public Service Academy (PSA) and Ellchart Business School. Ellchart is the educational service provider in the collaboration. Successful students will earn the prestigious ICAZ Public Sector Professional Accountant (Zimbabwe) membership designation and will become Registered Public Accountants with the Public Accountants and Auditor Board (PAAB)

Ellchart also works with Public Service Academy (PSA) in providing the PSPA(Z). PSA is the training division of the Public Service Commission

Benefits of the PSPA(Z)

ICAZ provides a wide range of services to members in order to assist them in playing a key role in the development of the changing Zimbabwean and global economy.

These services include:

Standards: Technical advice on tax, accounting, auditing, financial services and legal advisory services, facilitation, and drawing of legislation and standards.

Member Engagement: Events and networking opportunities, and seminars and workshops, which can help you enhance your competencies while facilitating Continuing Professional Development (CPD) compliance.

Added Value: Products and services, including a variety of publications.

Professional Development: Developing and maintaining standards through Education, Training and CPD.

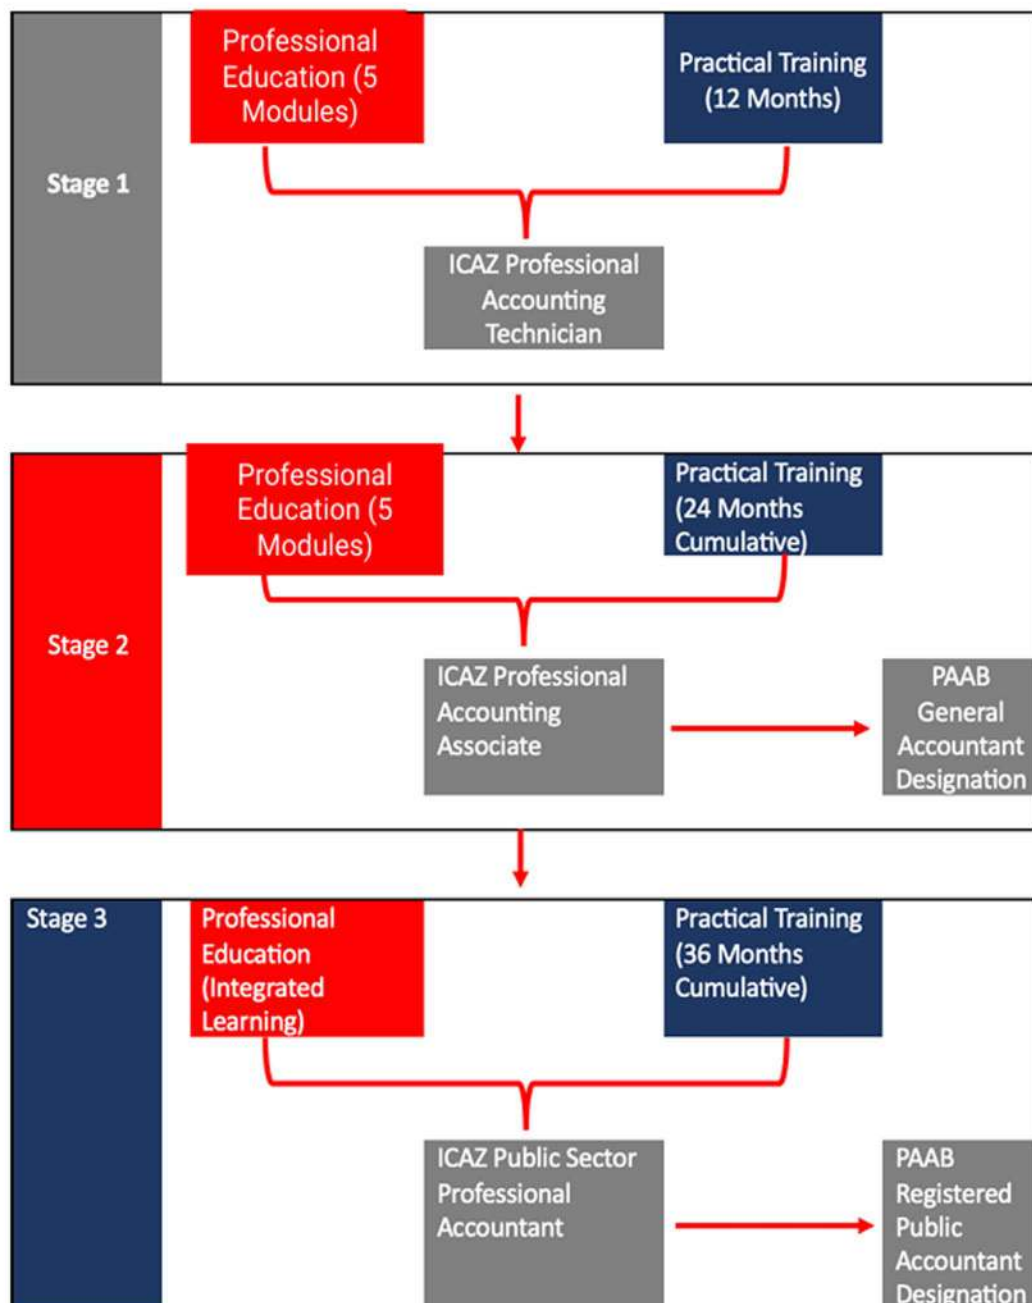

Transformation and Growth: Through growth in the pipeline, transformation of the professional and investment in Corporate Social Investment activities.
